RAJBADRI

Exclusive Brass Builder's Hardware of Best Quality

Perfect Selection for
Building Hardware

FROM THE DESK OF CHAIRMAN

By the grace of Allah (The Almighty), It gives us immense pleasure and pride presenting this Catalogue and to introduce ourselves as leading manufacturer of Builders Brass Hardware fittings since 1988 in manufacturing exclusive quality brass products. Started with small endeavour to produce Brass Hinges RAJBADRI Brass Products today is backed by vast experience with its well known brand **RAJBADRI**

We are at present engaged in manufacturing Builders Brass Hardware, Brass Glass Fittings & any Precision Turned Brass Components as per customer's specification. We are presently supplying our products in "RAJBADRI", "RBP" & "STS" brands in India & are planning to supply in abroad markets of Gulf, Europe & Africa.

We have all the latest technologies for manufacturing our products from scrap and finishing it to final product. Our production line consist of casting, machining, polishing, plating, and packing. Each department has its own quality control personnel, who is always on his heels, testing each and every batch for quality consistency. We are having a very experienced skilled technical staff, who lead our workforce to achieve perfection at every stage.

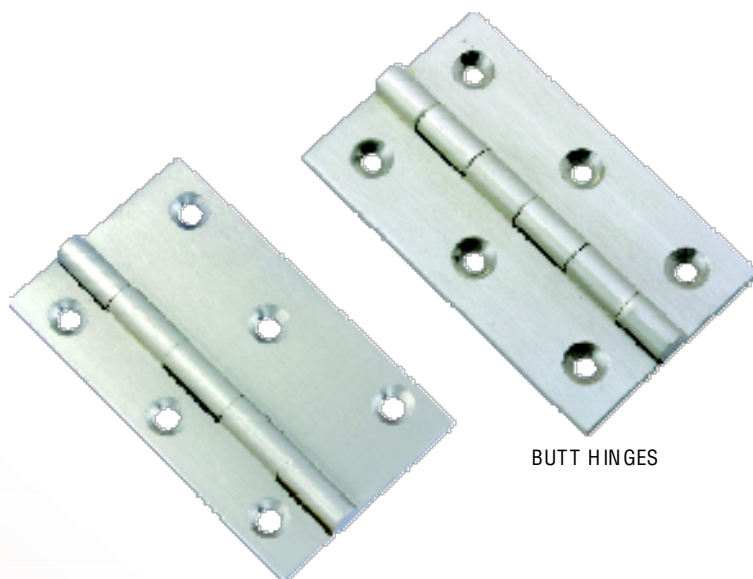

We also take care of pollution control. In our manufacturing process there are no such by-products or residue which could harm the ecology of the environment. Safety and well-being of our workmen is also a prime subject of our set-up and is taken care of very properly.

Innovation and R&D are non-ending activity at our end. Our products match to the inter-national standards of best workmanship, finish, and packing. We are confident enough that we can cater world over to the almost all the requirements in Brass Hardware and Brass Parts.
